

Itty Bitty Witty Knitties Greeting Cards Sentiments

Knitting Cards

1K: A stitch in time would have confused Einstein.

2K: Do you think these dark colors are slimming or does this card still look fat?

3K: Anything worth doing is worth over-doing.

4K: I want to give you a little something for your birthday This is the smallest one I could find.

5K: Great things come in small packages Small things come in small envelopes.

6K: I'll use little needles and little words..... so you don't get confused.

7K: There is a fine line between hobby and mental illness (Dave Barry) I walk the line. (Johnny Cash)

8K: I am feeling a bit sheepish about missing your birthday..... If this were cashmere I'd be feeling a bit goat-ish.

9K: Judging from this gauge swatch at least the left sock should be finished by the time Jesus comes back.

10K: Got wool..... No I mean "Get Well!"

11K: Small is beautiful (Schumacher) Large is too, but small knits up so much faster.

12K: Friends don't let friends knit drunk (Swatch is full of holes and knots, etc)

13K: I'll love ewe 'Til the sheep come home.

14K: Surely you can take a little ribbing on your birthday "And quit calling me Shirley" (Swatch is ribbing)

15K: Thank ewe I woolly appreciate your kindness.

16K: The beginning is the most important part of the work (Plato) For your birthday I started a sweater.

17K: If you break one of these needles I have 248 more in the cupboard.

18K: Do you think this yarn will be too scratchy? I was going to make you some Sunday-go-to-meetin' gloves
but pasties knit up so much faster, and are much more festive.

25K: Blank inside _____ (Front says "Blank Inside" and inside there is actually a Blank)

26K: You can ignore 80% of what your inner sheep says Most is b-a-a-a-d advice.

27K: Knitting is just one of my guilty pleasures Don't ask.

28K: This was knit with the new Dolly-llama Half doll hair, half alpaca, all really a bad idea.

29K: If you must drink and drive.....Please knit only at stop-lights.

30K: All you need to become a good knitter is wool, needles, hands.....and slightly below-average intelligence.
(Zimmermann)

31K: And now for the final word on knitting socks.....Whaddya mean you'd like one for the other foot?!

32K: Did you know it takes 3 llamas to make a medium-size sweater?I didn't even know llamas could knit.

33K: Would you be the designated knitter this month?You know—the one that stays sober enough to fix everyone else's mistakes.

34K: She has the Midas touch.....Everything she touched turned into a muffler. (Smerling)

35K: Do you ever think you own entirely too much yarn?Me neither.

36K: Thinking of ewe.....And wishing you wool.

37K: Better late than woolly woolly late! Happy Birthday an itty bitty bit late.

38K: Peace on earth Good wool to all.

51K: Do these socks make me look Republican?

52K: My fiber therapist says it's an advanced case of Second Sock Syndrome. I say, "Who the heck needs two socks anyway?"

53K: On a scale of 9 to 10, 10 being "gone completely 'round the bend," how would you rate your fiber addiction?

54K: You knit socks, I wear socks quite often. We're practically twins!

55K: After the Rapture,..... Can I have our yarn?

56K: In honor of your birthday, an angora rabbit has been donated in your name to a woman's knitting co-op in a remote village a half day's from Ayacucho in the Peruvian Andes.Your day to clean the cage is Tuesday.

57K: The trick to getting perfect socks quickly and easily every time can be summed up in two words:Tar Get.

58K: You say you are knitting me some new socks, Honey? I SAID, KNITTING IS THE NEW SEX, HONEY!"

New Cards

59K I heard you don't felt very well. (Inside) I hope you felt better soon.

60K Welcome to the fold, little lamb. (Blank Inside)

61K Heads, I'll love you forever. Tails, I'll love you forever and a day. (Inside) Either flippin' way, it appears you are stuck with me for quite a while.

62K Hooray! Touche! Crochet! (Inside) Two cheers (and one suggestion) for YOU! Congratulations!
